SPECIAL INSTRUCTIONS

All lots are carefully attributed, guaranteed genuine, and grade will be found as noted.

Be sure to enter on bid sheet correct lot number and BID BY LOT IN ALL CASES. List prices after each item represent the present value of the lots listed. They are not reserve prices, and you must use your own judgment what you wish to bid.

Unlimited or buy bids will be accepted and carried out as far as possible. Such bids insure your getting the lots desired and always at the lowest possible price. I have many patrons who have always bid in this manner and with perfect satisfaction to all concerned.

The terms of this sale are cash promptly on receipt of goods. Remit in whatever way is most convenient. Successful bidders will be notified immediately after sale and coins shipped at once, if credit references are O.K. There is no charge for executing bids, but postage on shipments is added to invoice. I frequently put invoice in with parcel of coins. If your bids are not successful, you will always receive a post card immediately notifying you of that fact.

If you are bidding for the first time, put references on back of bid sheet. If you have bid at my sales and failed to secure the items desired, write me and I will be glad to look up your sheet and tell you where the trouble is. There is much to learn in making bids at mail auction sales.

The values after each lot are the present list prices of same. They may go for less or more. I was the first dealer in this country to put values on my list in catalogue and old collectors often made fun of me but within two years everyone was doing it.

I think patrons will find grading very conservative. My XF are coins practically uncirculated and my VF are often coins nearly as good. I handle very few coins below VF.

My next sale of Foreign Crowns will likely be in the Spring of 1952. If you have collection of such material you wish to dispose of, write me about it. I will only list coins of the best quality.

As I have handled collections of coins for over 300 collectors in the past 16 years, you are assured of the best possible service and immediate cash returns after sale.
